Letter No. 1736 dated 15th November 1888 from the Chief Secretary to the Dewan of Mysore

Pensionary claims of Ghulam Mahomed late Head Clerk in the Durbar's Plantation office.

Sl. 1 / A

Ghulam Mahomed was first entertained under the British Govt as a writer in the Amrit Mahal Deptt on 1st April 1867, on a salary of Rs 25- per mensem which was subsequently raised to Rs 40. On 1st January 1882 his services were along with the Amrit Mahal Deptt, transferred to the Mysore State apparently under the arrangement referred to in para 11 of Sir James Gordon's letter No. 2300-836 dated 2nd March 1882 to the Secretary

Sl. 50 of File No. 18/1881.

to the Govt of Madras in the Military Deptt.

2 Ghulam Mahomed continued to serve under the Mysore Govt in the Ainit Khakal Deptt until 22nd October 1885 on which date he was transferred to the Plantation Office as Head Clerk on the same pay viz Rs 40 per mensem. Owing to the abolition of this office he was on the 26th August 1886 retired by the Durbar on a compensation pension

3. The Comptroller of Military Accounts Madras who was asked by the Durbar to accept a portion of Ghulam Mahomed's pension for service under the British Govt refused to admit the claim on the ground that the individual had not contributed for a pension from the British Govt—

from 1st October 1882, but suggested a reference to the Govt of India thro' this office. The Durbar therefore request that H.E the Viceroy may be moved to sanction Ghulam Mahomed's pension being debited to Madras & Mysore according to the rule of proportion in support of which (request) they say that no definite arrangement was arrived at in 1881 in regard to the pensionary claims of Officers who were transferred with the Bangit-Mahal dept to the Mysore State & that the Govt of India in leading in the case of Mr Murtaugh who was transferred from the Mysore State to Hyderabad, the benefit of the Rule of proportion

Mr Merchants case is not

applicable to the present one in which the transfer is from British Service to the Mysore State Service. Shulam Mahomed the individual should have contributed for a pension since 1st October 1882. from which date the other British officers serving under the Durbar contribute. Vide from the papers relating to the Pensionary claims of one Narasiah, late Head Clerk in the Amin Mahal Deptt. who retired from service immediately after the transfer of the Deptt to the Mysore Govt) it would appear that the understanding was to debit the pension of an Officer transferred with the Amin Mahal Deptt to the Mysore State according to the rule of proportion to wages & Mysore. vide para 2 of Serials 4 & 6/A

File 21/1887.

in file No. 21 of 1881. The reference to the Govt of India in the case of Narasiah was also made by the Madras Govt. vide para 3 of Serial $\frac{6}{A}$ & Serial $\frac{8}{A}$ of the same file. May a reference be therefore made to the Madras Govt.

5th No definite arrangements appear to have been made about the officials in the Amrah Salt Dept: when it was made over to the Myp: State. Very soon after the transfer took place, the Head Writer Muniah who had served in the Dept. for 26 years asked for the refund: the under Govt: said that they could

not give him a pension
and asked that "if possible
arrangements might be made
for obviating the hardship

without any pecuniary allowance
Sir James Jordan in reply said
he did not see why the

16 All that now remains to be done in this case is to sanction Ghulam Muhammed's pension. Now that the Madras Govt. has authorised the Accountant General to accept the proportionate debit on account of Ghulam Muhammed's pension, he might address the "Local Govt." in Ghulam Muhammed's case to sanction the pension. It would seem that the Madras Govt. is "the Local Govt." in this matter - a fact strengthened by the Madras Govts proposal to accept from the Mysore Govt. the commutation value of its share of pension. It is for the Madras Govt to sanction the pension.

Sir,

I have the honor, by direction of the Dewan, to forward herewith, copy of this Office Memo in regard to the pensionary claims of Gulam Mahomed, late Head Clerk of the Plantation Office, for services rendered under the British Government. As the case is a hard one and deserving of special consideration, I aim to request the favour of the Resident moving the Government of India, to Extend to Gulam mahomed the benefit of the rule of proportion conceded in the case of one Mr. Marchant, vide your letter No. 1324/5755, dated 12th May 1886.

Memo

Letter no. 2053/142 dated 14 December 1887 from the Inspector General of Forests and Plantations in Mysore, submitting for orders certain papers connected with the pension of Gulam Mahomed, late Head Writer of the Plantation Office at Bangalore

Gulam Mahomed entered the Service in the Amrut mahal Department under the British Government on 1st april 1867 and continued his Service under that Government upto 31st December 1881, on which date he was transferred to the Mysore state along with the Amrit Mahal Cattle and Establishment. He was thence transferred on 22nd october 1885 to the Plantation Office at Bangalore as Head Clerk, which appointment he held till 26th august 1886, when he was ordered to retire on compensation pension in consequence of the abolition of his post during the recent revision of the Forest Department.

2. The total qualifying Superior

Service

Service put in by Gulam Mahomed amounts to 18 y - 6 m - 26 D, Of which — 14 y - 9 m - " were under the British Government and the remaining 3 y - 9 m - 26 D under the Mysore Government as particularized below: —

1 Service rendered under the British Government as Deputy writes Amrut Mahal Department on pay Rs 25 from 1st April 1867 to 9th June 1869	2-2-9	y. m. D.
and on pay Rs 40 from 10th June 1869 to 31st December 1881	12-6-22	
	14-9-4	
2. Service rendered under the Mysore Government on pay Rs 40/- from 1st January 1882 to 26th August 1886 minus the period viz 10 months during which he was on sick leave	3-9-26	
	18-6-26	

3. The Comptroller of Mysore forwarded an extract of the history of the Service from the Pension application of Gulam Mahomed to the Accountant General Madras for Verification of the Service rendered under the British Government and Enquired of him Whether he was prepared to accept the Service as also the proportionate share of pension for the same. The Controller of Mili-

Leary

Military accounts, Madras, to whom the matter was referred by the Accountant General Madras for disposal vested the Services and stated that as Gulam Mahomeds Service is pensionable, the proportionate share of pension for the period of Service rendered under the British Government would be accep-ed

4 Thereupon the Comptroller of Mysore forwarded a memo: of Calculation to the Controller of Military accounts Madras shewing a sum of Rs 10·7·5 (out of the 2/3rd pension viz Rs 13-5-4 per mensem earned by Gulam Maho--med) as debitable to the Imperial Revenues and requested to be informed whether he accepts the Charge. In reply that Officer stated that as Gulam mahomed has not paid any pensionary contribution to the British Government from and after 1st October 1882 he did not appear to have a Claim to any portion of his pension from the British Government for the period of Service rendered under it prior to his transfer to Mysore on 1st January 1882 and that he

was

was entitled to a gratuity of
12 months' pay under Section 113 (a)
of the Civil pension Code for his
14 years 9 months' service in the
British Government + It was how-
-ever suggested by the Controller
Military accounts that the Resident
at Mysore be asked to obtain
the orders of the Government of India
in the case, as it would seem that
Gulam mahomed and others similar-
-ly situated have a fair claim to
pension which should be debited
to the General Revenues and Mysore
state according to the rule of proportions.

5. The Inspector General of
Forests and plantations in Mysore
on being furnished by the Comp
-troller of Mysore with the fore
-going views and suggestions of
the Controller of the Military accounts
Madras, gives a narrative of
the history of Gulam Mahomeds
case as given above and states
(1) that no settlement was arrived
at between the Madras Government
and the Mysore Durbar as regards
the pensionary claims of subordinate

Officials

Officials transferred to the Mysore Service with the Amrut Mahal Cattle in January 1882;

(2) That as at the time of transfer Gulam Mahomed had only to put in 3 months' more service to complete 15 years for one-third pension under the British Government, he could not in such a predicament have been prompted to follow his other Co-Officials who went in at once for pension or gratuity for service rendered by them under that Government prior to their transfer

(3) That by reason of the unconditional transfer of the Amrut Mahal Establishment at least so far as pensionary claims are concerned, it cannot be said that by such transfer its Officials lost all their status in the Service of the British Government

(4) That if it be held that the Amrut Mahal Officials had, after their transfer to Mysore, no status in the service of the British Government, and could only have a claim to any portion of pension from that Govern-

ment

ment only by having Contributions from Salaries drawn while employed in Mysore Gulam Mahomed would have to pay half of such Contribution and this would seem a very hard treatment in as much as he was not drawing here any higher pay than at Madras and more than all the transfer was not at his own choice

(5) That if the Madras Government had granted 3 months Service as a grace in Consequence of the abolition of the Establishment he could have obtained pensioners here as also employment in Mysore; and finally proposes that if the Dewan Considers that the Rule of proportion may be applied to this Case and the matter referred for the orders of the Government of India as suggested by the Controller Military accounts Madras, the Resident in Mysore may be addressed on the Subject.

(6) In view to obtain the benefit of 3 months' Service as grace, Gulam Mahomed should have applied to the Madras Government for the

Same

same at the time of the transfer of the Amrut Mahal Establishment But as he was not at that time so advised as to go in for that benefit it does not seem incumbent now on his Government at such a later period to apply for that indulgence on behalf of Gulam Mahomed.

3. As regards the question of Con-tribution deemed requisite by the Controller Military accounts Madras to be paid by Gulam Mahomed, I beg to submit that the Government of India have recently in the case of one Mr Marchant, who was first employed in Mysore and joined the Hyderabad Service. after resign-ing his appointment under this Government, ruled that pensions for the Services rendered under the British and Mysore Governments be borne by both the Governments according to the rule of proportion. Vide letter No. $\frac{1324}{5155}$ dated 12th May 1886 from the Assistant to the Resident in Mysore. The case of Gulam Mahomed appears to be similar to that of Mr. Marchant. The only difference is that the latter Offi-cial (Mr Marchant) resigned his Mysore

Service

Service to take up the one under the British Government in Hydera-bad before the Rendition, and the former Official (Gulam Mahomed) was taken on to the Mysore Service when the Amrit Mahal Cattle and Establishment was transferred to Mysore after the Rendition. I beg to submit therefore that the Resi-dent in Mysore be addressed to move the Government of India to extend to Gulam Mahomed the principle followed in the case of Mr. Marchant and to grant the benefit of the rule of proportion referred to

Wrote to the Dewan with approval. H. 23.9.89

Sir,

In continuation of my letter dated 6th May last No. 454 I have the honor, by direction of His Excellency the Governor in Council, to forward a copy of a letter from the Government of India and to request that you will be good enough to ascertain and inform this Government whether the Mysore State is willing to adopt the course suggested and pa a lump sum equal to the capital value of its share of the pension. The amount should be calculated by means of the table given at pages 350- of the Civil Service Regulations.

No 4075 Dy 9. Augt 89.

2. I am also to request that a formal application for pens may be forwarded to the Accountant-General, Madras, for verification of the service rendered under the British Government.

Sir,.

I am directed to acknowledge the receipt of your letter No. 453, dated the 6th May 1889, and in reply to say that the Government of India have no objection in this case to the grant of a pension according to the Rule of Proportions to Gulam Mahomed, late head clerk in the Plantation Office at Bangalore. I am, however, to observe that it would be convenient if payment of the pension could be made entirely from one source, and with this object in view, I am to suggest that the Mysore Durbar may be asked to pay down a lump sum equal to the Capital value of the share of the pension payable by them, which would end their liability in the matter.

Sir

I the undersigned Gooluru Ramaswamy, late Head Clerk, Plantation Deptt most respectfully beg to state that I was ordered to retire on the 27th August 1886. Ever since no orders were issued of granting my pension. I do not see any reason why there should be a delay of 4 years. I have been feeling too hard to maintain myself in the absence of my pension, having a large family to support. I beg to request that your honor will be pleased to recommend me to the Government for an early sanction of my pension.

For which act of kindness

This Case is pending with the Dasbar Secretariat. The last letter was sent from the undersigned Petitioner's last letter to the Dewan. Petitioner to be informed of the order.
